

November 1, 2007

Dear Parents and Guardians:

The winter season is upon us. Our district staff understands that our decision to open or close schools in bad weather has a big effect on families. We also understand that our students are better served-both academically and socially-by being in school. Our top priority is always the safety of students.

How do we make the decision?

Please understand that the decision to open or close the schools in bad weather is based on a careful analysis of all relevant factors, such as:

- **Information on road conditions from transportation staff.** Careful consideration must be given to the most dangerous roads in the district. Even if your street looks clear, travel elsewhere in the district may be dangerous. We also consider that some high school students drive to school.
- **Amount of snow and ice accumulated.**
- **Whether precipitation is expected to continue.**
- **Building conditions (such as whether we have electricity and heat.)**
- **Parking lot conditions.** Administrators talk to maintenance and custodial staff members who are responsible for clearing and treating school parking lots and sidewalks.
- **Temperature and wind chill.** Please remember that some of our students walk to school and some must walk outside to the bus.
- **Weather predictions.** We prefer to not make decision based on weather predictions that may not always be accurate. However, sometimes this is unavoidable.
- **What other school districts are doing.** We also share information with other local districts and check whether they are opening or closing.

Who makes the decision?

As Superintendent of Schools, I am responsible for the final decision, based on the above factors and recommendations from the bus transporter.

How is the public notified?

Tune to **WFMZ (Soft Rock 100.7; 107.5 Alive; 99.9 The Hawk; Cat Country 96; Channel 69)** or **B104/WAEB AM 790** for up-to-date information or call the **East Penn Information Line** at **(610) 366-2530**. Do not call the school or the district office unless it is an emergency.

When is the decision made?

The decision is made by 5:30 a.m. or earlier so we can notify radio and TV stations and post the decision on our Web Site (www.eastpenn.k12.pa.us). If we wait longer to announce a closing, some parents will have already left for work, leaving their children unsupervised.

Will we close school if conditions worsen?

If conditions get worse during the school day, we may need to have an early dismissal, but we will give adequate notice to all parents first. **Please have a plan in place in the event that students are dismissed during the day.**

We hope that this explanation helps everyone understand the process and how the public is notified (see above). Our district staff makes the best possible decision with the weather information available at the time.

Very truly yours,

Thomas L. Seidenberger
Superintendent of Schools
