**Lincoln Elementary School**

September 2000

Dear Parent:

Classroom computers at Lincoln School now have Internet access. Teachers and students will be using the Internet as a valuable tool for research and learning at school. However, students' Internet use will be carefully monitored in order to maximize the benefit of this technology and to prevent the appearance of inappropriate material.

In order for your child to use the Internet, we must first have your permission. We ask that you sign the form below indicating that your child may participate in supervised Internet use at school. If you are interested in reading East Penn's Internet Acceptable Use Policy, please go to [http://www.eastpenn.k12.pa.us/technology/acceptable\\_use.htm](http://www.eastpenn.k12.pa.us/technology/acceptable_use.htm) or you may request a copy from the school office. Thank you very much.

Yours truly,

Richard T. Gorton, Principal
