Courses will be offered in the following manner:

**Acceleration** - A course that serves as a prerequisite to prepare students for the subsequent sequential course. These classes will be delivered via hybrid online learning. Students must pass the course, and score an 80% or higher on the midterm and final exams to earn credit. Algebra 1, Algebra 2, and Geometry will be offered for acceleration.

**Remediation/Grade Improvement** - A course being taken to improve the grade from the course taken during the regular academic year. The student could either be taking it to attain a passing grade or for improvement of a low grade. Remediation for core classes will be delivered via hybrid online learning. Remediation for half-year experiential courses (aquatics & wellness/fitness) requires a time commitment of 90 minutes per day for two and a half weeks.

**Accelerated Graduation Requirement Courses** - A one-half or one-quarter credit course that is a graduation requirement and does not fit readily into the student’s schedule during the regular academic year. Wellness/fitness and aquatics: these courses will require a time commitment of 90 minutes per day for five weeks. Health is offered for graduation requirement and are available via hybrid online learning over a period of five weeks. Driver’s Ed will require a time commitment of 120 minutes per day for four weeks.

Please Note: Courses may be cancelled or subject to change based on enrollment and/or teacher availability.
