Courses will be offered in the following manner:

Acceleration- A course that serves as a prerequisite to prepare students for the subsequent sequential course. These classes will be delivered via online learning. Students will be **required** to attend in person a minimum of 3-hours per week, per course. Students must pass the course, and score an 80% or higher on the midterm and final exams to earn credit. Algebra 1, Algebra 2, and Geometry will be offered for acceleration. These math courses meet NCAA Clearinghouse Regulations. In addition to the math classes, Independent Living and *Microsoft Office will be offered. **There is no longer a Computer Application requirement for Graduation.*

Remediation - A course being taken to improve the grade from the course taken during the regular academic year and earn the missing requirement (*No Credit Received*). The student will be taking it to attain a passing grade. Remediation for core classes will be delivered via hybrid online learning. Students will be **required** to attend in person a minimum of 3-hours per week, per course. Remediation for Aquatics will require a time commitment of 90 minutes per day, (Monday-Thursday), for two and a half weeks.

Grade Improvement - A course being taken to improve the grade from the course taken during the regular academic year. The student will be taking it to attain improvement of a low grade, but who has already received credit for the course. Grade improvement for core classes will be delivered via online learning. Students will be **required** to attend in person a minimum of 3-hours per week, per course; sign-ups may be necessary. Grade improvement for Aquatics and Well/Fit requires a time commitment of 90 minutes per day, (Monday-Thursday), for two and a half weeks.

Accelerated Graduation Requirement Courses - A one-half or one-quarter credit course that is a graduation requirement and does not fit readily into the student's schedule during the regular academic year. Well/Fit and Aquatics will require a time commitment of 90 minutes per day, (Monday-Thursday), for five weeks. Health, and Driver's Ed are offered for graduation requirement and are available via online learning over a period of five weeks. Students will be **required** to attend in person a minimum of 3-hours per week, per course.
