Basic Citation Procedure

The trick is to try and find the author name(s)!
Begin your search on the book's title page (NOT its cover).

1. SINGLE AUTHOR
or
MULTIPLE AUTHORS

Author name(s) appears on book's title page

⭐ If you find an **editor(s)**, move on and consider #s 2, 3 or 4 instead

2. ANTHOLOGY

Author name(s) appears on the inside of the book, either at the start or end of article *...but has no publication info.*

3. **REPRINT**

Author name(s) appears inside the book...*but with magazine or book reprint information*, **either at the start or end of article**

4. BOOK WITH AN EDITOR
(last resort!)

No author given ☹
Editor name(s) will appear on the title page
