EHS 2026-2027 9th Grade Scheduling Worksheet

Parents/Guardians are encouraged to help their student(s) complete this worksheet prior to course registration day.
Students may elect to bring this worksheet to school on course registration day to share with teachers as they make their recommendations for next year's courses.

When completing this scheduling worksheet for next year's courses, please reference the following information:

1. Students are required to take a minimum of 5.5 credits each school year. Students may not exceed 8 credits in a year. ****It is recommended that all students request 6-7 credits per academic year.****
2. Students entering 9th grade must register for an **English** course, a **Social Studies** course, a **Math** course, a **Science** course, **Health A**, and a **Wellness/Fitness** course. These requirements vary slightly for students attending LCTI in 9th grade.
3. Students must register for and successfully complete a **Family & Consumer Science** (**FCS**) course, a **STEM** course, and a **Personal Finance** course prior to graduation. Reference the Graduation Requirements page in the Program of Studies for a list of possible courses to fulfill this requirement.
4. Students must choose at least 2 **alternate course selections** in the "Alternate" rows at the bottom of this scheduling worksheet. They should not be repeats of primary selections. **Alternate courses will be used in the event that a first choice course(s) cannot be scheduled.**

Beginning with the Class of 2030, the graduation credit requirement will be 21.5 total credits.
Each student will be provided with a Course Listing of scheduled courses in June. <u>Final changes to scheduled courses must be submitted in writing by **June 30**<u>ᵗʰ</u>**, 2026**</u>. Please note a change is much more likely to occur while the schedules are still being developed during the school year. Once the schedules are developed and locked in, it is unlikely a change request will be fulfilled. **FOR THIS REASON, PLEASE CONSIDER YOUR SELECTIONS WISELY DURING THE COURSE SELECTION PROCESS IN FEBRUARY.**

	Current Course(s)	Course Request for Next Year (Include course code)	Credit (ex: 1.0, .5, .25, etc.)	Do I meet the current recommended prerequisite(s) for this course? (Check one box per request)	Course Recommended by Teacher
