

August 2019

Hello Macungie Families!

As the new school year quickly approaches, I would like to take an opportunity to introduce myself. During most of my 26 years in education, I have worked with middle school students as a Social Studies teacher, Assistant Principal and for the last 12 years, as Principal of Lower Macungie Middle School here in East Penn. I am very excited to have the opportunity to join the Macungie Elementary School community. Throughout the summer many of our amazing faculty and staff have stopped by to not only welcome me, but also share their excitement and love for our Macungie students. I am very lucky to begin this school year in a wonderfully warm, friendly, kind and fun place to learn!

Our halls and classrooms are quickly filling with bright, and shiny new bulletin boards, welcome signs, and classroom materials. Macungie students have so much to look forward to this year. New friends, new teachers, new books, new learning, and new adventures to explore!

I look forward to meeting the families that join us for Kindergarten Orientation and First Impressions on Friday, August 16th. As our school year and fun family activities kick off, our paths will cross often. Please take a moment to say hello and share what you too love about Macungie Elementary. On the first day of school your child will bring home many pieces of information. Included in the packet will be a Family Date Saver listing all the important Macungie events throughout the school year. Mark your calendars for these special Macungie Moments!

While there are not many more days of summer vacation, I hope you and your Macungie Tiger are as excited as I am to welcome a new school year!

Learning is an ADVENTURE! Never Stop Exploring!

Go Tigers!

Suzanne M. Vincent
Principal
