

# If we could end hatred.

## Imagine what more we could do

Dear Parent,

Willow Lane Elementary believes that students thrive academically, socially and personally when they feel safe and respected, no matter their background or beliefs. We are committed to fostering a culture free from bias, bullying and name-calling, where students feel empowered to embrace diversity in themselves and in others. As part of our efforts to maintain a welcoming and inclusive environment, we are excited to continue the *No Place for Hate*® program in our school.

No Place for Hate is an initiative developed by the Anti-Defamation League, a leading civil rights organization that has worked for over a century to “secure justice and fair treatment to all.” The program creates inclusive school environments that celebrate diversity, promote respect for differences and challenge bias and bullying. No Place for Hate connects our school to more than 200 other institutions in the region and 1700 schools across the country.

You and your child can help support our No Place for Hate campaign in a number of ways:

1. Along with your child, sign the **No Place for Hate Promise** or **Resolution of Respect** to commit to ending bigotry and bullying!
2. Practice No Place for Hate at home! For family resources on challenging bullying and bias, visit <http://www.adl.org/education-outreach/bullying-cyberbullying/c/strategies-and-resources.html>
3. Sign up for the No Place for Hate Newsletter at <http://philadelphia.adl.org/sign-up-for-the-no-place-for-hate-newsletter/>!
