

Dear Parents/Guardians:

This is certainly an exciting time in your child's life as he/she prepares to enter kindergarten. East Penn School District will be holding kindergarten registration for the 2017-2018 school year during the week of **March 13, 2017**. In order to be enrolled in kindergarten, your child **must** be five years old on or before September 1, 2017 **without exception**.

You may access information regarding kindergarten registration, including a downloadable registration packet, on the East Penn website (select the "Parent Portal" tab). You will register your child at the building where he/she will attend kindergarten classes in the fall.

Please bring the following documentation with you on the day of registration:

- completed registration packet;
- child's birth certificate;
- record of immunization;
- two proofs of residency as noted on the form;
- valid parent/guardian photo ID.

We also request that you bring your child along to registration. We will be providing vision screening along with a speech/language screening station. These short sessions can yield valuable information about your child for you and the school. If you bring the forms already completed, the registration process should last approximately 60 minutes.

Should you require any assistance or information prior to registration day, please contact Mrs. Wendy Crossley at 610.966.8321. We look forward to seeing you and your child on registration day.

Sincerely,

Kristen Campbell
Assistant Superintendent
