**Footnotes:**

1. A "copy" is either a single-sided copy on 8.5"x11" paper, or one side of a double-sided copy on 8.5"x11" paper.
2. A "copy" is either a single-sided copy on 8.5"x11" paper, or one side of a double-sided copy on 8.5"x11" paper. Note that a requester may ask for black and white copies even if the original is in color and color copies are available.
3. Including, but not necessarily limited to, non-standard sized documents and blueprints.
4. If a requester asks to receive records which require redactions in electronic format, an agency may print the records to provide for secure redaction, then scan them in for delivery by email. Accordingly, the agency may charge the fees noted above for either B&W or color copies, as appropriate.
5. If an agency must print records to send them by facsimile, the agency may charge the fees noted above for B&W copies.
6. If a requester seeks records requiring redaction, an agency may copy or print the records to provide for secure redaction. Accordingly, the agency may charge the fees noted above for either B&W or color copies, as appropriate.
7. If a record is only maintained electronically or in other non-paper media, duplication fees shall be limited to the lesser of the fee for duplication on paper or the fee for duplication in the original media, unless the requester specifically requests for the record to be duplicated in the more expensive medium. See §1307(e).
8. This assumes the requester is using his or her own camera, such as a cellphone camera, to photograph the records. *See Muenz v. Township of Reserve, OOR Dkt. AP 2015-1021, 2015 PA O.O.R.D. LEXIS 1176.* If redaction is required prior to the requester being granted access to photograph records, an agency may copy or print the records to provide for secure redaction. Accordingly, the agency may charge the fees noted above for either B&W or color copies, as appropriate.
9. Under the RTKL, an agency may impose "reasonable fees for official certification of copies if the certification is at the behest of the requester and for the purpose of legally verifying the public record." The OOR recommends no more than \$5 per record to certify a public record. Certification fees do not include notarization fees.
