

Parental / Guardian Consent for Online Educational Resources

The East Penn School District understands the importance of student online safety and maintains a process for vetting online resources used by our students. In order to comply with vendor requirements and other legal requirements consent is required.

The School District has compiled a list of vetted online educational resources. Parents or guardians of students must consent before students will be permitted to access these approved online resources. The list of approved resources is updated regularly. Parents and guardians should check back often to stay up to date on additions to these online educational resources.
