COVID-19 Update-East Penn School District Closed

As recently announced by Governor Tom Wolf, the East Penn School District will be closed from March 16 - March 27, 2020. During this closure, all district activities and athletic events are being postponed. We ask that you continue to follow the guidance of health officials that includes social distancing, and do what is asked to prevent the community spread of COVID-19.

We will update you in a future district communication regarding independent learning activities that our teachers put together for our students at every level. Thank you for your continued support and understanding as we work to make decisions in the best interests of our entire school community. We will update you as new information becomes available.
