COVID-19 Update-East Penn School District Closure Extended

As announced today by Governor Tom Wolf, the East Penn School District will be extending its closure through April 8, 2020. We ask that you continue to follow the guidance of health officials that includes social distancing and do what is asked to prevent the community spread of COVID-19.

We will update you in a district communication tomorrow regarding our continued learning plan that the Office of Teaching and Learning has developed for our students. Thank you for your continued support and understanding as we work to make decisions in the best interest of our entire school community.
