COVID-19 Update-East Penn School District Closure Extended

As announced today by Governor Tom Wolf, the East Penn School District will now be closed indefinitely.

Please continue your at home learning activities for the rest of the week to keep your brain charged! Don't forget that on April 6th, your teacher(s) will be reaching out to review online learning plans and weekly assignments. More information will be coming later this week.

In the midst of uncertainty, our school community has shown us what it means to work together. We know it is a significant challenge for parents, students, teachers and our entire community. Our teachers and administrators have worked hard in transitioning our learning in a matter of days. We want to express our gratitude to them and to all of you as you support your children at home during this pandemic.

Please take good care of yourself and stay healthy.
