

# Welcome to the East Penn School District

[www.eastpennsd.org](http://www.eastpennsd.org)

# Information about the East Penn School District

## ► Mission Statement

- The East Penn School District will provide a learning environment in which students will become effective problem solvers, collaborators, critical thinkers, and communicators.

## ► Vision Statement

- The East Penn School District will empower students to maximize their individual potential and become lifelong learners and contributors to a global society.

The logo consists of two overlapping squares: a white square on top and a dark green square on the bottom.

**East Penn School District**  
Building Foundations for Lifetime Learning
