QUESTION AND ANSWER GUIDANCE

Q. Who can file a property tax rebate claim?

- A. The Property Tax Rebate for 2022 is based on the school district property taxes paid during the 2022-2023 school year (i.e., between July 1 and December 31, 2022).

To file a Property Tax Rebate:

You must have owned and occupied a residence within the East Penn School District during the 2022-2023 school year.

You or your spouse must have been at least 65 years old as of December 31, 2022, or

You were a widow or widower during all or part of 2022 and must have been 50 years or older as of December 31, 2022, or

You were permanently disabled during all or part of 2022, 18 years or older during 2022, and were unable to work because of a medically determined physical or mental disability.

Your total calendar year 2022 household income, including your spouse's income, must have been \$35,000 or less. NOTE: Fifty percent (50%) of social security/railroad retirement income shall be excluded in determining income limits.

You or someone on your behalf must have paid the school district taxes on the residence for 2022-2023. The payment must have been made on or before December 31, 2022.

Only one member of each household may file a claim even if more than one person is qualified to receive a rebate.

Q. Can I file a claim form for someone who has recently died?

- A. You may file a claim for an eligible claimant who died after December 31, 2022; however, you may not file a claim if the claimant died during calendar year 2022. The law governing the Property Tax Rebate Program requires that a claimant must have lived for all of 2022 in order to receive a rebate.
