**Purpose**

The Board welcomes inquiries, suggestions, and constructive criticism from parents/guardians, district residents or community groups regarding the district's programs, personnel, operations and facilities. The Board adopts this policy to establish procedures for seeking appropriate resolution to complaints.

**Authority**

The Board encourages parents/guardians, district residents or community groups who have general complaints about Board policy and district procedures, district programs, personnel, operations and facilities to follow the general complaint procedure established in this policy.

The Board directs parents/guardians, other individuals and organizations alleging violations of law in the district's administration of federally-funded programs to submit complaints in accordance with the separate federal program complaint procedure established in this policy.[\[1\]](#)

The Board shall ensure that this policy is posted on the district's publicly accessible website in accordance with law.[\[2\]](#)

**Delegation of Responsibility**

The district shall annually notify parents/guardians, employees and the public of this policy and established complaint procedures via the district website, newsletters, posted notices and/or other efficient communication methods.

**Guidelines****General Complaint Procedure**

It is the intent of the Board that complaints, concerns and suggestions be addressed and/or resolved at the lowest appropriate level.

At all levels of this procedure, district employees shall make a determination as to whether the complaint should proceed as outlined in this policy or if the complaint should be submitted through a specialized complaint process addressed in a separate Board policy, district procedure or administrative regulation that is directly related to the nature of the complaint.

General complaints about Board policy and district procedures, programs, personnel, operations and facilities shall begin with an informal, direct discussion between the complainant and district employee who is most directly involved.

The employee shall attempt to provide a reasonable explanation or take appropriate action within the employee's authority. The employee shall report the matter and the resolution to the building principal or immediate supervisor.

When an informal discussion fails to resolve the complaint, the following procedure shall be used.

**First Level** - If a satisfactory resolution is not achieved by discussion with the employee, the complainant shall submit a written complaint to the building principal or designee and a conference shall be scheduled with the complainant. The written complaint shall include the contact information of the person or group filing the complaint, the specific nature of the

complaint, a brief statement of relevant facts, how the complainant has been affected adversely, and the action requested. The building principal or designee shall provide a written response to the complainant within twenty (20) days.

**Second Level** - If a satisfactory resolution is not achieved through a conference with the building principal or designee, the complainant may bring the complaint to the Superintendent or designee. The Superintendent or designee shall review the complaint and may schedule a conference with the complainant. The Superintendent or designee shall provide a written response to the complainant within twenty (20) days.

**Third Level** - If a satisfactory resolution is not achieved, the complainant may bring the complaint to the Board. If resolution of the complaint is beyond his/her authority and requires Board action, the Superintendent or designee shall refer the complaint to the Board, if asked to do so by the complainant.

The Board, after reviewing all information relative to the complaint, shall provide the complainant with its written response. The Board may, at its discretion, grant a hearing before the Board or a committee of the Board. If a hearing is granted, the complainant shall be advised of the Board's response, in writing, no more than thirty (30) days following the hearing.

Any requests, suggestions or complaints first directed to individual Board members and/or the Board shall be referred to the Superintendent for consideration, investigation and action. If further action is warranted, based on the initial investigation, such action shall be in accordance with the procedures outlined above.
