

# YOUNG STEMOLOGIST ACADEMY

This summer, your child will have the opportunity to explore the exciting world of science, technology, engineering, and math through engaging, hands-on activities. Our campers will have the chance to learn coding and programming through robotics, basic engineering concepts, and participate in a variety of STEM-themed fun activities.

**Date:**  
July 23, 24, 25-2024

**Time:**  
8:00-11:30 am

**Who can attend:**  
Students entering grades 2-4

**Cost:**  
\$130.00 per child

## Agenda:

- Day 1: Robotics
- Day 2: Engineering
- Day 3: STEM Fun

All students will receive a camp t-shirt! PLUS materials & resources to continue learning at home!

Location: CLIU Central Office  
4210 Independence Drive,  
Schnecksville, PA 18078
